I'm very selective

I was a gymnast in high school and college. My specialty was floor exercises. I enjoyed fucking other gymnasts because we had so much in common. I even fucked a guy on the balance beam. Now that was fun. I wake up a couple times a night just to diddle myself. When there's a man in my bed, I wake him up by starting a blow job and then a good fuck. That's always a great way to start the day, don't you think?

banging my best friend's brother

My best friend, Trini, thinks that all the letters in the porno magazines are made up, but after what happened to me I know that's not true.

I'm 18, and until last month, I was pretty much still a virgin. I mean, I'd done a lot of sex things, just not quite all the way. But then Trini's brother Danny, who I'd had a crush on for years, came home from college for a week. I was spending the night, and we were watching a movie after Trini's parents had gone to bed. Trini went to bed, real tired, but Danny and I stayed sitting on the couch. All of a sudden I felt Danny's hand on my thigh! Danny kind of winked at me and moved closer and started kissing me. Oh, man, he was an even better kisser than I'd hoped for, so I didn't mind when he put his tongue in my mouth.

Pretty soon he was touching my titties through my blouse, and I didn't mind that, either! I moved a little closer to him, so he'd know how much I liked it, and he started squeezing on my nipples and stuff. They were getting all pointy and hard from his fingers, and it was making my boobies all tingly.

Then his other hand was pushing up under my skirt, and I know, this is bad, I let him do that, too. I even opened up my legs a little wider so he could reach! He kind of petted on my pussy through my panties (which were soaking wet!) and then, just like that, he slid his fingers up under the elastic. I thought maybe I should tell him to stop, but then he was diddling on my little clitty, and it felt so good I didn't want him to stop. Then he put a finger up inside me, and I for sure didn't want him to stop!

I wanted to make Danny feel good, too, so I undid his jeans and took out his dick, which was really hard and a lot bigger than I'd thought. Plus he was really silky and smooth, and he felt so soft under my fingers. All of a sudden I really wanted to suck on it, so I kind of pushed him backward on the couch a little.

He had to take his fingers out of my pussy, but

I didn't mind—I wanted to taste him! I licked at the head of his big dick and kind of sucked up the pre-cum that was already there. Yum! It tasted really salty and kind of creamy. Then I licked up and

down his whole dick, and I was, like, tickling the big veins that went all the way from the tip to his balls. They were all fuzzy and I kissed them too, kind of sucking on the skin, which was really thin.

That made him kind of groan a little when I did that, and so I got even braver. I opened up my mouth and put the whole head of his dick in my mouth, and then, well, I just started to suck him in! It was kind of hard to get my mouth open wide enough, but I tried really hard. By the time I got his dick all the way down, I could feel that he was, like, practically touching my tonsils!

But I didn't mind because I could tell that Dan-

ny was really liking what I was doing (later he even told me that it was the best blowjob he'd ever had!), and it was making me really hot, too. So when he asked me if he could fuck me, well, I didn't even hesitate. I just pulled my panties all the way off and lay back on the couch!

Of course, I got a little nervous when he started to put it in; jeez, he was so big, I was afraid it was going to hurt. But I guess all those years of playing with dildoes helped, because it didn't hurt at all, not even a little bit! As a matter of fact, it felt a lot better than I'd expected it to. He was pushing it in really slow, and I could feel my pussy getting all stretched out, and then all of a sudden he was all the way in. Oh my gosh, that was when it felt really good, with him kind of grinding himself into me!

I wrapped my legs around him, and he started to go in and out, real slow at first. My pussy was tingling all over, and it felt so good, I started coming almost right away! My pussy was squeezing him really hard then, and it must have felt good because that's when Danny started pushing it in harder and faster.

Pretty soon he was, like, fucking me for real, and I had to bite my tongue to keep from hollering, it felt so good! He was doing me really fast, and I really liked how it felt, with him pounding in and out of me like that. He liked it, too, I guess, because all of a sudden I could feel him squirting his stuff up into my pussy. He was really grunting by then, so I just squeezed harder and let him fill up my pussy with his cream.

We started giggling then and got dressed as quick as we could. I was afraid Trini'd heard us, or her parents, but nobody came in and busted us.

We had sex, like, about a zillion times the rest of the week, it was so much fun! Danny promised

that he'd come back for Christmas, and I can hardly wait. I haven't told Trini that Danny and I actually did it while she was asleep in the next room, but maybe I'll let her read this letter. I hope she won't be mad!

Laurie, Colorado

poolside service

Ashley had her lips wrapped around my cock. Her head, white-blonde from the sun, was bobbing up and down in time to the beat of the music in the cabana.

During the few days I had known her, the hot college freshman had flirted with me non-stop. But I never thought she'd be sucking my cock and doing such a damn fine job of it. I had a beer in my hand, while watching her doing me, and I didn't think life could get any better.

I had been thinking horny thoughts about Ashley ever since she served me my first poolside beer. There were several other hot waitresses at the resort, but Ashley caught my eye. She was tall and lithe with long, toned legs and a firm ass. But what really stirred my cock were Ashley's nipples. Her tits were small, but her nipples were the size of her delicate fingertips, long and round and always hard.

I'd come here on business, but I was actually spending a lot more time at the pool than I was with clients. During my second day, Ashley suggested I rent a poolside cabana to get out of the sun. She told me with a wink that the cabanas were equipped with a buzzer that you just press when you wanted service. I winked back and asked if she would service me if I pressed the buzzer. She giggled and said she would.

I had just pressed the buzzer in the cabana and was sitting in a lounge chair when Ashley walked in with a cooler. She set down the cooler and closed the front flaps on the cabana. Then she straddled the lounge chair and sat herself on my rock-hard cock.

"Well, Donny," she said, licking her lips. "I'm here to service you." I was pleasantly surprised, then amazed, when Ashley bent her head down and began kissing my chest. She sucked and

licked my nipples while grinding her pussy into my cock. I stuck my hand in her bikini top and took a handful of her tiny breast. She was all nipple, and my cock grew even harder when I played with those rock-hard knobs.

I pulled her up to me and popped one tit entirely in my mouth. I licked her pink peaks, sucking hard, and felt her nipple actually grow longer and harder in my mouth. She gasped. I grabbed her other tit and traced circles around her small areola. Then I moved my mouth to the other tit and sucked it.

Ashley pulled away from me, stood up, and took off her bikini top. She sat me upright and knelt in front of me. When she pulled down my swimsuit, my hard cock stared up at her.

That's when I was thinking things couldn't get much better.

I was wrong.

Ashley seemed to sense that I was going to come and slowed down. She took her mouth off my cock and moved her hands down to my balls, kneading them. I calmed myself down, and my breathing returned to normal. She looked up at me, saliva dripping out of the corner of her mouth.

"Did you like that?" she asked.

"Oh, god, yes," I answered.

She smiled, reached over to the cooler, and grabbed a piece of ice. It dripped on my cock as she brought it to her lips. She sucked on it and then popped it in her mouth. Grinning, she plunged her mouth over my cock. The sensation of the cold ice cube and her hot mouth drove me into a frenzy. I groaned. This seemed to urge Ashley on, because she sucked harder and faster. I was ready to squirt my load, but this was one of the best blowjobs I had gotten in my life, and I didn't want it to end. Ashley moved her hand to my cock and moved it up and down along with her mouth. Her nipples were so hard that they were poking into my thighs. Not being able to stand it anymore, I let go with a groan. Ashley moved back and opened her mouth wide. My hot load spewed down

her throat like a cannon-blast.

I lay back into the chaise longue, exhausted. Ashley got up and put on her bikini top. She moved up to the top of the chair and pressed her lips to mine. I could taste my cum on her mouth.

"I'll be back in an hour to check on you," she winked at me. "I'll bring some more ice."

I was too spent to answer, so I just nodded.

She picked up her tray, and I watched her pert ass wiggle as she walked out. I spent the rest of the trip in the cabana with Ashley.

Guess where I'll be going on my next vacation...

Donny, New York

Ashley pressed her lips to my pulsating cock. She kissed along my big blue vein, flicking her tongue all over it. She licked around the swollen head, her tongue teasing me by flicking faster and faster. She licked down my shaft and kissed my sac. Her tongue and lips flitted over my balls. She caressed them both and then took each one in her mouth. Usually when chicks play with my balls, they get way too aggressive, but Ashley had a soft, gentle touch that was soon driving me crazy.

After tonguing my balls, she moved back up my cock. She licked it up and down and then took the whole thing in her mouth. She sucked hard, taking my cock all the way down her throat.

I love the feel of a really hard cock in my mouth and in my pussy. Whenever I need that stimulation, I pick up the phone and call Dick to come and service me. I tell him my best orgasm is after a lot of foreplay, when my clit is played with for more than a few minutes. So if I can get that much pleasure out of this little thing called a clitoris, I can just imagine the pleasure you guys must feel with your big hard dicks. And I wanna help you feel that!

I'm done with one night stands. You just can't be sure what went on in that person's past and getting something from them would not be cool.

I like making a good connection with the one I'm fucking. Sometimes it's eye contact and sometimes it's a tongue on the tip of a cock. It's looking into his eyes when he's fucking me missionary or cowgirl style. Either way, that is not going to happen in just one night. At least not with me!

All kinds of guys approach me at the mall, but especially at the gym or beach. They tell me they like my ass. I think it's pretty nice, too. Of course I wear the skimpiest bikini the law allows, and my shorts are smaller than Daisy Duke's. When I was skinnier, I didn't have as nice a one as I do now. Now, it's nice and plump and I fill out my clothes. When we're fucking, it gives the guys something to hold to.

doing my wife's best friend

I satisfy my wife and her BFF – and everybody's happy.

I am a happily married 33-yearold man who is in love with my wife. Kathleen is very romantic and warm natured and has always desired her dick-ing about two or three times a week.

Kathleen is a very prim and proper lady in public, and to meet her on the sidewalk one would never believe that she frequently becomes a choking, clawing wildcat in bed at night, panting out the filthiest words you could imagine as she enjoys our sex.

Some six years ago her best friend's husband passed away, and her friend (whom I'll call "Helen") came to live with us, which was fine with me because I have always really liked her too (she is now 40).

Helen is a quiet, shy woman, and just like her younger friend, prim and proper. She has always been extremely careful how she sits around me, mindful not to give me even a peek at her knees. Since she was lonely and had trouble living on her own now, we fixed up a room for her. She would either lie on her bed and nap, or sit and chat with Kathleen and me or watch TV with us.

Because of the way both women act I am still in a state of mild shock at what has been going on. You see, for the past four years I have been fucking Helen, too. And, my wife knows about it, and does not mind.

In fact, it was partially Kathleen's idea that I "take care" of her friend now and then. And Helen knows that she knows it, too, although it is never mentioned among us. I cannot remember exactly how it came about, but I can certainly remember the high points which led up to it.

One Sunday afternoon my wife came to me, grinning slightly, and took my hand. I went with her, wondering

what she had in mind as she laid a finger across her lips for silence. She took me to the door of Helen's room and indicated that I should peek in. I did so, and she was lying flat on her back, dressed only in her flimsy nightgown, fast asleep away. Her huge tits had fallen out of her gown and were draped heavily over her chest, both big light brown nipples in full view.

I glanced at my wife, who was watching me, her fingers pressed to her lips to hide her grin, and she quietly shook her head, then led me away. Kathleen led me all the way into the kitchen before she stopped and turned to me, still grinning impishly.

"You didn't know that Helen had such big ones, did you?" she whispered, her eyes dancing in mischief. I just stared down at her. I could not believe that Kathleen had actually taken me to see her own friend's naked breasts! It was not at all like her! Not my proper Kathleen!

I had honestly never lusted after Helen; but I must admit that I had felt turned on by her huge tits and big legs and rear end. That evening my wife again astonished me by shyly teasing her friend about the way she had napped, and the sight she had innocently given us. Helen blushed profusely and turned her face away, but she laughed good-naturedly too, not the least bit offended.

After that it seemed that Helen was not nearly as careful how she sat in my presence; she gave me frequent views of her dimpled knees and milky thighs. I was beginning to grow more curious about her. And about Kathleen too.

Maybe I was a bit stupid concerning the things which were happening more and more frequently around the

house, but you must remember that this was my very proper wife, and my very proper wife's very proper friend.

Kathleen was growing more and hornier in the evenings, sitting on my lap and squirming about, hugging me and kissing me in front of her friend while she grinned and watched us. They did a lot of whispering and giggling too, I noticed.

One evening, when Helen had showered and had called out from the bathroom for a towel, Kathleen tossed one to me and told me to take it in to her because she was busy. So I took the towel to the bathroom and knocked on the door. It opened a few inches and I thrust in the towel. In that flash I definitely caught a glimpse of her huge bare tit and a bit of her bush as well.

Helen was grinning and blushing

as she closed the door. She knew I had seen her tit, and possibly her pussy too. She knew it! But had it been deliberate?

At last I began to think seriously about trying to fuck my wife's best friend. Kathleen was becoming noisier and noisier at night during our sex, crying out for me to fuck her harder and faster, yelling that she was coming, etc., obviously aware her friend could hear and yet not seeming to care.

"I'm getting worried about Helen, Dave," my wife murmured to me in our bed one night. "Worried? Why? What's wrong with her?" I asked instantly.

"Nothing serious," Kathleen said. "We had a talk today while we were alone, and she finally admitted some things to me."

"Things? Like what, honey?"

"Well, she needs a man, Dave," Kathleen blurted softly. "She needs to get fucked once in a while, someone who she likes and trusts and who won't look down on her." Kathleen hesitated. "She has sex on her mind most of the time, she told me. She really poured out her heart to me today, and I felt so sorry for her, Dave. She isn't a bad woman, honey, but ... damn it, she's human, and she needs sex just like the rest of us. I'm afraid she's getting hooked on masturbating."

"Masturbating? You mean Helen masturbates? She jacks herself?"

"Sure," Kathleen said. "Everyone does, but I think she's going overboard with it. She told me she masturbates at least twice each night before she goes to sleep, then again in the morning before she gets up. I've heard that it won't harm you, but I still think that she's doing it much too much."

I could not believe it! Helen masturbating? Well, I'll be damned! So, the proper Miss Prim was human of after all! I felt myself grinning up at the darkened ceiling.

"Honey?" Kathleen whispered beside me.

"Yes?"

"Um . . . have you ever pretended that it was Helen you were fucking when we do it?" she asked shyly. "Tell me the truth. I won't get mad. Do you ever pretend that it's Helen?"

"Well, maybe a couple of times," I admitted. Kathleen laughed softly and

hid her face in the side of my neck.

"I wonder what she'd say if she knew that," she whispered. Her fingers crept down my belly and located my erect cock lying on it. She chuckled softly again. "Well, well. What made him get all hard? Does he want to diddle tonight, baby? Hmmmm? Does he?"

So, we "diddled," and the longer I fucked her the louder she got, sobbing and whimpering and gasping out to me to fuck her faster and harder, fully aware that Helen could hear.

After we finished and my wife lay asleep beside me I lay thinking about the things she had told me. I was convinced Helen wanted to have sex with me—and that Kathleen was all for it.

The next day was Saturday, and Kathleen announced early that she was going shopping. I offered to drive her, but she declined, telling me to stay home and "keep Helen company." Then she drove off.

She hardly had left the driveway when Helen entered the living room dressed in a housecoat, her skin looking moist after her morning shower. "Where's Kathleen?" she asked.

"She went shopping. She'll be gone for a few hours," I said. Her eyes met mine for a moment, and then she turned away, blushing wildly. She went to the window and peeked between the curtains, then let them fall together again. "You've just bathed, haven't you?" I asked. "Why didn't you call me? I'd have been glad to wash your back for you."

She laughed, keeping her back to me. I just knew they had planned it. They had planned on leaving Helen and me alone like that, but Helen had not yet gained the courage to take advantage of the fact. So I decided to do something about it. I went to her and slipped my arms around her waist from behind. She stiffened very slightly. "You smell good," I whispered. "You smell like pussy."

A funny little laugh bubbled up from her. "You can't smell my pussy, Dave," she said. "I've just showered and washed it. I have the cleanest pussy around." A thrill quivered through me at her words. I never dreamed that I would ever hear my prudish wife's

friend utter such a word. My dick was already rock hard, and I crushed it deliberately against her plump ass.

"I want to fuck you, Helen," I murmured into her hair. She stiffened again. "What about Kathleen?" she asked.

"Kathleen knows," I said.

Helen nodded briefly. "Then she spoke with you," she said. She laid her head back on my shoulder. "God, I want it, Dave," she whispered. "I want it so badly that ... I hurt. It's an ache."

I took her hand and led her into her room. She stood blushing and trembling as I opened her housecoat and slipped it off her, leaving her totally naked. Her nipples were stiff and puckered in excitement. Her hips were wide and soft looking, her thighs full and creamy, her pussy swelling forward eagerly, covered by a triangle of thick, curly, dark hair. "Take me! Give it to me, Dave!" she blurted in a funny little voice. "God, I think I'm ready to go off right now..."

Quickly I removed my pants and boxers, then pushed her gently back across her bed. Her legs opened in shameless welcome to me, fully exposing her soaking-wet pussy, its swollen

lips and quivering crack in full view of me for the very first time. I sank down on top her between her lifted knees, one hand guiding my throbbing cock toward the pouting womanhood. The tip touched, and then went sliding easily into her scalding vagina.

An animal sound rose up from her throat as she felt herself getting penetrated for the first time in years. Her fingers clutched at my upper arms, her eyes glazing over as they stared up at me. Yet again I was astonished; this time over the tightness of her pussy. It sucked and tugged at the length of my tool. I could feel Helen squirming under me too, her ass sort of moving gently. "Damn, what a tight one you have, Helen!" I whispered, shoving it to the root inside her. I lifted once, and then drove it back into her to the hilt again.

"Oh, my god!" she suddenly gasped, her eyes bulging up at me. "OH!" Her ass was heaving and surging up and down, her belly smacking mine sharply. She was coming! I had only slid my dick into her and had given her one single pump, and she was coming! She must have been hot as hell.

At last it was over for her, and she relaxed slowly. Her eyes opened and she stared up at me, and then blinked. A beautiful smile lit up her face, and she laughed. "Wow! I don't believe that!" she panted, beaming happily. I grinned, my dick still buried in her pulsating pussy. "Wow!" she panted again, still beaming, her face flushed and moist. "I felt it from the tips of my toes to the top of my head. I never went off so quickly in my life!"

Feeling understandably proud of myself, I began to pump into her. "Slowly, Dave, slowly," she whispered, her eyes going shut again, her plump ass starting to writhe under me again. "Do it with those long, deep strokes. Yes, that's right, baby. Slowly. Oh, that feels good, Dave, so good. God, I love it. It feels so good to me."

"Do you think you'll cum again?" I asked.

"Oh, yes. I can feel it already. Just keep doing it with those long, slow, deep strokes. Do you like it, Dave? Does it feel good to you too?"

"Yes, Helen," I muttered thickly. "You have the tightest pussy I ever—"

"That's because you have a cock like a horse, baby," she said. "Every time you push into me it feels like the head is coming clear up under my tits. You fuck better than any man I have ever known, and I mean that. No wonder Kathleen does all that yelling in here at night."

She drew my face down beside her own flushed one. "Go faster now, Dave. Make me cum again. Fuck me! Fuck me!" In minutes she was singing her happy little song again, her fingers clawing at my arms and shoulders, her hips twisting insanely.

When I finally got my pants back on and left, she was lying across her bed, her eyes closed, smiling. Her big legs remained open, hot semen oozing from her pussy. I was convinced that she and Kathleen had planned it from the start. Minutes later I heard the toilet flush. I was still in a state of mild shock, I think.

When Kathleen came home she was all smiles, totally ignoring the way Helen blushed furiously when their eyes met. She went into the kitchen and began to put the groceries away. I stepped up behind her and put my arms around her waist. "I fucked her," I breathed.

"I know it," my wife murmured, celery in her hand. "I knew it as soon as I saw her. She looked that way after Dan used to fuck her." She hesitated briefly. "Was she any good?"

"Yes," I said. "Very good."

"As good as I am?"

"Don't start that," I replied.

Kathleen turned in my arms, smiling up at me. "I won't," she said. "Did she cum for you?"

"Yes."

Kathleen nodded. "Good. She needed it."

That was four years ago, and I am still banging the two of them, although never at the same time. Neither of them will hear of it. They both know that I would like to get them into the sack at the same time, but it's no use.

I sleep with Kathleen on Mondays, Wednesdays and Fridays, and with Helen on Tuesdays and Thursdays, and now and then on Saturday or Sunday nights. Fortunately there is not a trace of jealousy between the two women, although sex is still never mentioned among us. It is silly in a way, but that

is the way they prefer it. I am fucking both of them, and they both know it, yet it is never mentioned.

And, I dare not put a hand on either of them in the presence of the other. Sometimes I will enter the room naked where they both are and Kathleen

will scold me gently, but Helen will just smile at me. Thus far I am not having any trouble keeping them content, but I do not know how long I will continue to be able to fuck every night. I will cross that bridge when I come to it.

Helen was pretty reluctant to let me go down on her, being a bit old-fashioned. But I think Kathleen might have talked with her about it, because one night she just told me to go ahead and lick her pussy if I wanted to. She discovered that she likes to be "eaten" too, the way she came all over the place for me. Since that time she has let me eat her any time I want.

Sometimes my wife will notice us looking at each other in "that" way, and go for a walk to leave us alone. Or Helen will retire to her room and leave Kathleen and me alone to do our thing.

So, that's my story. I hope it continues for a long, long time.
